The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 198

Offered by Representative Bellock:

WHEREAS, MRSA is an acronym for methicillin-resistant staphylococcus aureus, also known as the "superbug"; MRSA can cause deadly infections in patients in healthcare facilities and within our communities; and

WHEREAS, The Centers for Disease Control and Prevention (CDC) have estimated that hospital-acquired MRSA infections alone killed more than 100,000 U.S. residents in 2006; and

WHEREAS, Consumers Advancing Patient Safety (CAPS), among many other leading consumer healthcare organizations and patient advocates around the globe, are lending their voices to the call of world unity in leadership and commitment in preventing and stopping MRSA, which is pandemic and rising at alarming rates within healthcare facilities and in our communities; the groups also call upon healthcare officials and leaders to step up and take a more comprehensive approach to eradicate this preventable disease and focus on a broad and pro-active prevention program; and

WHEREAS, As an integral part of its multi-faceted program, the MRSA Survivors Network, the first consumer organization in the U.S. to raise the alarm concerning the MRSA epidemic and other multi-drug resistant healthcare-acquired infections, has announced "World MRSA Day", which will be held on

October 2, 2009 and commemorated each year after on this date; in addition, the month of October will also be designated "MRSA Awareness Month" in order to call attention to this worldwide epidemic; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate October 2, 2009 as "World MRSA Day" in the State of Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the MRSA Survivors Network as a symbol of our dedication to the fight against this epidemic.

HOUSE RESOLUTION 201

Offered by Representative Coulson:

WHEREAS, Research has demonstrated over and over that people with disabilities are far more likely to suffer from abuse and neglect and to become victims of crime than are people without disabilities; and

WHEREAS, In Illinois, responsibility for addressing abuse, neglect and/or exploitation of people with disabilities lies primarily with: the Department of Public Health (DPH), the Department of Children and Family Services (DCFS), the Department on Aging (DOA), and the Department of Human Services' Office of Inspector General (DHS/OIG); and

WHEREAS, Each of these agencies has responsibility for investigating abuse, neglect and/or exploitation of different populations in different settings; and

WHEREAS, Not all populations and not all settings are covered by the current investigatory system to address the abuse, neglect or exploitation of people with disabilities, resulting in serious gaps in protection; and

WHEREAS, The fragmented nature of Illinois' investigatory system has resulted in wide-spread confusion among the public on where to properly report incidents of abuse, neglect and/or exploitation of people with disabilities and also confusion among agency staff regarding the proper investigative body; and

WHEREAS, Many people with mental illness living in nursing homes in Illinois attend off-site psychiatric day programs that are not licensed, certified or regulated by any State or federal agency; consequently, there is no requirement or mechanism for reporting or investigating abuse, neglect or exploitation of the individuals in these programs; and

WHEREAS, The General Assembly has passed P.A. 95-0651, requiring all Illinois board and care homes to be licensed by DPH, which will presumably provide oversight of these facilities; however, due to the previous lack of oversight of board and care homes, their identities and locations are generally unknown; and

WHEREAS, Non-public therapeutic day schools serving students (aged 6-21) with disabilities in Illinois are subject to less stringent regulations regarding use of restraints and isolated time-outs, are not strictly monitored, and are not required to report allegations of abuse or neglect to the Illinois State Board of Education (ISBE), leaving children in these settings with fewer protections than those in other settings; and

WHEREAS, Federal and State law require Illinois to maintain an information registry relating to individuals who are qualified to work in settings that serve adults or children with disabilities and also those individuals who are prohibited from such employment due to substantiated findings of abuse, neglect or exploitation; and

WHEREAS, DPH maintains a Health Care Worker Registry containing the names of certain health care staff working in facilities serving adults that are licensed, funded or certified by DPH or DHS, who have received required training and are subject to a criminal background check; and

WHEREAS, DCFS maintains a separate registry, known as the State Central Register, containing the names of and information relating to individuals who have abused or neglected children; and

WHEREAS, There is no cross-checking requirement or mechanism between the two registries, making it possible for an abuser to switch from working with one age group to the other; and

WHEREAS, To be effective, investigatory systems charged with responsibility for addressing abuse and neglect of people with disabilities must provide a comprehensive and cohesive structure that ensures the safety and well-being of the people the system is mandated to protect; and

WHEREAS, Illinois' current investigatory system has been mandated to address an ever-increasing set of issues and settings without being provided increased resources needed to effectively protect people with disabilities from abuse, neglect and exploitation; and

WHEREAS, Equip for Equality (EFE) is the organization designated to implement the federal Protection and Advocacy (P&A) system for people with disabilities in Illinois; and

WHEREAS, Over the last five years, EFE has conducted hundreds of unannounced visits to public and private facilities and programs for people with disabilities, reviewed records, identified, monitored and investigated dangerous conditions and practices, issued recommendations, and distributed alerts to service providers; and

WHEREAS, As a result of those activities, EFE has identified and made recommendations regarding these and other inadequacies in Illinois' investigatory system to address the abuse, neglect and/or exploitation of people with disabilities, which are detailed in a public report entitled, "Ensuring the Safety of Children and Adults with Disabilities: Filling the Gaps in Illinois' System that Investigates Allegations of Abuse and Neglect"; and

WHEREAS, The Illinois Guardianship and Advocacy Commission (GAC) has identified further gaps in Illinois' investigatory system with respect to reports of abuse and/or neglect of people with mental illness in hospital settings; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Abuse and Neglect Investigatory System Work Group is created to study and recommend how Illinois' investigatory system to address the abuse, neglect and exploitation of people with disabilities should be changed to provide a comprehensive, cohesive system that provides maximum protection for the safety and well-being of people with disabilities of all ages and in all settings; and be it further

RESOLVED, That due to its unique position and experience, the General Assembly requests that Equip for Equality convene and head the Work Group; and be it further

RESOLVED, That additional members of the Work Group shall include at least one representative each from DPH, DCFS, DOA, DHS, DHS/OIG, DHFS, GAC, and ISBE; and be it further

RESOLVED, That Equip for Equality shall invite other disability advocacy groups and individuals with disabilities to serve as members of the Work Group; and be it further

RESOLVED, That the designated State agencies shall cooperate and participate with Equip for Equality in this collaborative effort and shall provide any necessary research, office or meeting space, or other assistance; and be it further

RESOLVED, That the Work Group shall, consistent with Equip for Equality's public report and the findings of GAC, develop recommendations and a plan for closing the gaps in Illinois' current investigatory system and improving its overall effectiveness, to include the implementation of a statewide centralized hotline for reporting incidents of abuse and neglect; and be it further

RESOLVED, That the Work Group shall further consider and make recommendations regarding possible funding sources to meet the increasing demands on Illinois' investigatory system to address abuse, neglect and exploitation of people with disabilities; and be it further

RESOLVED, That the Work Group shall submit its recommendations and plan to the General Assembly no later than May 31, 2010.

HOUSE JOINT RESOLUTION 39

WHEREAS, During this period, the Fund has experienced funding shortages that have required

applicants for reimbursement to wait up to 18 months for payment; and

WHEREAS, There is currently a backlog of unpaid claims totaling \$62 million; and

WHEREAS, If the Fund is not solvent, Illinois tank owners and operators will be forced to find more costly methods to satisfy their financial responsibility obligations under federal and State laws and regulations; and

WHEREAS, The Illinois Environmental Protection Agency estimates under the current system a future liability of \$864 million to clean-up a projected 6500 leaking underground storage tank sites in Illinois over the next 20 years; and

WHEREAS, Under the current system, the existing funding sources will not be sufficient to keep up with the costs; and

WHEREAS, The cost of an average environmental clean-up in Illinois has steadily risen in recent years to the point where the cost of an environmental clean-up in Illinois is significantly higher than in other states; and

WHEREAS, The General Assembly finds that it is necessary to form a Task Force to study the significant problems that the Fund currently faces; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there is created an Underground Storage Tank Task Force to study the significant problems that the Underground Storage Tank Fund faces and to suggest a new approach to determine how moneys in the Fund will be used to pay for corrective action costs in addressing petroleum releases at sites and to study ways to monitor and control the costs of environmental clean-up in Illinois; and be it further

HOUSE JOINT RESOLUTION 40

Offered by Representative Turner:

WHEREAS, The social and economic well-being of the State is reliant upon healthy and productive employees; and

WHEREAS, Surveys and studies have documented that 37% of employees directly experience health-endangering workplace bullying, abuse, and harassment, which is 4 times more prevalent than

sexual harassment alone; and

WHEREAS, Workplace bullying is recognized by the National Institute for Occupational Safety and Health as a form of workplace violence; and

WHEREAS, Further studies and surveys have documented that abusive work environments can have severe effects on targeted employees, including feelings of shame and humiliation, stress, loss of sleep, severe anxiety, depression, post-traumatic stress disorder, reduced immunity to infection, stress-related gastrointestinal disorders, hypertension, and pathophysiologic changes that increase the risk of cardiovascular diseases; and

WHEREAS, Surveys and studies have documented that abusive work environments can have serious consequences for employers, including reduced employee productivity and morale, higher turnover and compensation claims; and

WHEREAS, Unless mistreated employees have been subjected to abusive treatment in the workplace for unlawful discriminatory reasons, they are unlikely to have legal recourse to redress such treatment; and

WHEREAS, Legal protection from abusive work environments should not be limited to behavior grounded in protected class status as required by employment discrimination statutes; and

WHEREAS, Current laws apply in only 20% of bullying cases; and

RESOLVED, That the mission of the Illinois Legislative Task Force on Workplace Bullying shall be to examine: (1) the prevalence and impact of workplace bullying on Illinois private sector employees to include, but not be limited to, physical and psychological health, economic security, work and family relationships; (2) the barriers faced by private sector employers, both for-profit and not-for-profit, who employ individuals who engage in intentional abusive conduct such as increased turnover, lost productivity through absenteeism, worker's compensation and disability insurance claims, and corporate recruitment and retention as related to workplace bullying; and (3) incentives to businesses who implement policies and procedures to prevent and respond to the mistreatment of employees at work; and be it further

RESOLVED, That the Illinois Legislative Task Force on Workplace Bullying shall receive the assistance of legislative staff, may employ skilled experts with the approval of the Speaker of the House and the President of the Senate, and shall report its findings to the General Assembly on or before December 1, 2010.

AMENDMENT NO. 1. Amend House Bill 516 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Disposition of Veterans' Cremated Remains Act.

Section 5. Definitions. The following terms have the meanings indicated, unless the context requires otherwise:

"Authorizing agent" means a person who is legally entitled to authorize the cremation and final disposition of the cremated remains of the deceased person in accordance with the Disposition of Remains Act and the Crematory Regulation Act.

"Crematory authority" means a legal entity that is licensed by the Comptroller of the State of Illinois to operate a crematory and to perform cremations.

"Funeral director" means a person, known by the title of "funeral director" or other similar words or titles, licensed under the Funeral Directors and Embalmers Licensing Code and who practices funeral directing.

"Veteran" means an Illinois resident who has served as a member of the United States Armed Services

on active duty, a member of the Illinois National Guard, or a member of the United States Reserve Forces, and who has received an honorable discharge.

"Veterans organization" means an association or other entity organized for the benefits of veterans that has been recognized or chartered by the United States Congress and includes, but is not limited to, the American Legion, the Legion of Honor, the Patriot Guard, the Missing in America Project, and the Vietnam Veterans of America.

Section 10. Funeral director or crematory authority responsibilities.

(a) A funeral director or crematory authority must make a reasonable effort to determine whether a deceased person, whose human remains have been submitted to a funeral establishment for final disposition by cremation, is one of the following:

- (1) a veteran;
- (2) the spouse of a veteran; or
- (3) the dependent child of a veteran.

(b) This determination must be made at, or shortly after, the time an at-need cremation authorization is signed by the authorizing agent. The funeral director or crematory authority must start his or her inquiry with the authorizing agent and notify the authorizing agent of the funeral director's or crematory authority's responsibilities under this Act. However, nothing in this Act shall apply to a pre-need cremation authorization until it becomes an at-need cremation authorization. Nothing in this Act shall delay the cremation of a deceased person's remains as authorized by an at-need cremation authorization.

(c) If the funeral director or crematory authority cannot determine with certainty the deceased person's status and no authorizing agent exists, then the funeral director or crematory authority may allow the National Cemetery Administration's National Cemetery Scheduling Office, any veterans organization whose primary purpose is to locate, identify, and inter the unclaimed cremated remains of American veterans, or any federally-chartered veterans service organization to have access to the cremated remains and all information regarding the deceased person in the possession of the funeral director or crematory authority so that it may attempt to determine whether the deceased person qualifies under subsection (a) of this Section.

(d) If the funeral director or crematory authority determines that the deceased person is either a veteran, the spouse of a veteran, or the dependent child of a veteran, then the funeral director or crematory authority must immediately notify the authorizing agent of this finding and advise the authorizing agent that the deceased person may be eligible to be interred at an appropriate veterans' cemetery.

(e) If the cremated remains of a veteran, the spouse of a veteran, or the dependent child of a veteran are not claimed by an authorizing agent, then the funeral director or crematory authority must hold any cremated remains for at least 60 days, as required by subsection (d) of Section 40 of the Crematory Regulation Act. After 60 days have expired, the funeral director or crematory authority must then send written notice to an authorizing agent requesting disposition instructions. If the funeral director or crematory authority does not receive a written response from an authorizing agent within 30 days after this written notice is sent, then the funeral director or crematory authority must contact any veterans organization whose primary purpose is to locate, identify, and inter or inurn the unclaimed cremated remains of American veterans or any federally-chartered veterans service organization so that arrangements for the disposition of the cremated remains of the veteran, spouse of a veteran, or dependent child of a veteran may be made in a state or national veterans' cemetery.

(f) The funeral director or crematory authority may release any relevant information to the U.S. Department of Veterans Affairs or any federally-chartered veterans service organization to affect the timely and accurate identification and interment or inurnment of the cremated remains of a decedent as either a veteran, the spouse of a veteran, or the dependent child of a veteran.

Section 15. Immunity. A funeral director or crematory authority complying with this Act is immune from any criminal or civil liability regarding the release of information relating to (i) the determination of the deceased person's status as a veteran, the spouse of a veteran, or the dependant child of a veteran, (ii) the availability of interment or inurnment as a veteran, or (iii) the release of the cremated remains to a veterans' cemetery. A funeral director or crematory authority shall be immune from civil liability for any act or omission under this Act, except for willful or wanton misconduct. A veterans organization or federally-chartered veterans service organization shall be immune from civil liability for any act or omission related to the disposition of cremated remains under this Act, except for willful or wanton

misconduct.

Section 99. Effective date. This Act takes effect upon becoming law."

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed; and the bill, as amended, was advanced to the order of Third Reading.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02, 14-7.02b, or 29-5 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from general State aid pursuant to Section 18-8.05 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or general State aid to be classified under this paragraph and must specify the funding program to which the funds are to be treated as received in connection therewith. This resolution is controlling as to the classification of funds referenced therein. A

certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services. Section 99. Effective date. This Act takes effect upon becoming law."

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed; and the bill, as amended, was advanced to the order of Third Reading.

HOUSE BILL 1195. Having been read by title a second time on March 23, 2009, and held on the order of Second Reading, the same was again taken up.

The following amendment was offered in the Committee on Executive, adopted and reproduced.

AMENDMENT NO. 1. Amend House Bill 1195 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Illinois Land Banking Act.

Section 5. Findings. There is a continuing need to strengthen and revitalize the economy of this State. Vacant and abandoned properties threaten communities around the State because those properties diminish property values, enable crime, and create health hazards. Municipalities are often unaware of which properties are at risk of becoming vacant and abandoned. Municipalities have an interest in knowing the status of the housing stock located in their jurisdictions. Local governments should be empowered to acquire, develop, maintain, and dispose of vacant and abandoned properties that present a threat to communities around the State. Municipalities lack many of the tools necessary to ensure adequate property maintenance. Municipalities are unable to recover the reasonable costs of their property maintenance activity.

Section 10. Definitions.

"Authority" means the land bank authority created pursuant to this Act.

"Intergovernmental agreement" means a contractual agreement between one or more governmental agencies, including, but not limited to, an agreement to jointly exercise any power, privilege, or authority that agencies share in common and that each might exercise separately under this Act.

Section 15. Authorization. A municipality may create a land bank authority with the powers and restrictions specified in this Act. In creating an authority, the municipality shall provide for all of the following:

- (1) The incorporation of the authority as a public body, corporate and politic.
- (2) Articles of incorporation for the authority, which must specify a list of permissible purposes for authority activity under this Act.
- (3) The size of the board of directors for the authority, which shall be composed of an odd number of members.
- (4) The qualifications, methods of selection, and terms of office of the board members.

Section 20. Election of tax remittance. A municipality may authorize the remittance of a portion of taxes collected on real property, pursuant to the Property Tax Code, to the authority that sold or conveyed real property in order to further the purposes of this Act. The municipality may elect to have up to 50% of those taxes remitted to the authority for up to 5 years after the land bank has completed the sale or conveyance of the property.

Section 25. Board of directors. The board of the authority shall meet from time to time as required, and the presence of a majority of the board of directors shall constitute a quorum. A chairperson shall be elected from among the members, and he or she shall execute all deeds, leases, and contracts of the authority when authorized by the board. The board of the authority shall conduct meetings in accordance with the Open Meetings Act. The board of the authority shall adopt a code of ethics for its directors, officers, and employees. The board of the authority shall establish policies and procedures requiring the disclosure of relationships that may give rise to a conflict of interest. The board of the authority shall require that any member of the board with a direct or indirect interest in any matter disclose the member's interest to the

board before the board takes any action on that matter. Members of the board of directors of an authority shall serve without compensation.

Section 30. Powers. Except as otherwise provided in this Act, an authority may do all things necessary or convenient to implement the purposes, objectives, and provisions of this Act, including but not limited to the following:

- (a) Acquire property pursuant to Section 35 of this Act.
- (b) Adopt, amend, and repeal bylaws for the regulation of its affairs and the conduct of its business.

- (f) Borrow money and issue bonds and notes according to the provisions of this Act.
- (g) Enter into contracts and other instruments necessary, incidental, or convenient to the performance of its duties and the exercise of its powers, including, but not limited to, intergovernmental agreements, for the joint exercise of power under this Act.
- (h) Enter into contracts for the management of, the collection of rent from, and the sale of real property held by an authority.
- (i) Enter into contracts with other entities, public or private, for the provision of all or a portion of the services necessary for the management and operation of the authority.
- (j) Solicit and accept gifts, grants, labor, loans, and other aid from any person, the federal government, this State, a political subdivision of this State or any agency of the federal government, or an intergovernmental entity created under the laws of this State or participate in any other way in a program of the federal government, this State, a political subdivision of this State, or an intergovernmental entity created under the laws of this State.

- (u) Reimburse members of the board of directors of the authority for actual and necessary expenses subject to available appropriations.
- (v) Contract for goods and services and engage personnel as necessary and engage the services of private consultants, managers, legal counsel, engineers, accountants, and auditors for rendering professional financial assistance and advice payable out of any money available to the authority.
- (w) Prepare the reports or plans the authority considers necessary to assist it in the exercise of its powers under this Act and to monitor and evaluate progress under this Act.

(x) Do all other things necessary or convenient to achieve the objectives and purposes of the authority or other laws that relate to the purposes and responsibility of the authority.

The enumeration of a power in this Act shall not be construed as a limitation upon the general powers of an authority.

Section 35. Acquisition of property. An authority may acquire by gift, devise, transfer, exchange, foreclosure, purchase, or otherwise on terms and conditions and in a manner the authority considers proper, real property within the authority's jurisdiction, or rights or interests in real property within the authority's jurisdiction.

The authority shall have the right to purchase properties at tax sales conducted in accordance with Division 3.5 of the Property Tax Code.

(a) The authority may tender a bid at a tax sale that is a credit bid, consisting of the obligation of the authority to satisfy the component parts of the bid by payments to the respective political subdivisions.

(b) A bid by the authority at a tax sale for the minimum amount shall take priority over all other bids for the same property.

Section 40. Taxes. When a property is acquired by the authority, the authority shall have the power to extinguish all outstanding county and city or consolidated government taxes, including school district taxes, at the time it sells or otherwise disposes of property.

Property of an authority is public property devoted to an essential public and governmental function and purpose. Income of the authority is considered to be for a public and governmental purpose. The property of the authority and its income and operation are exempt from all taxes and special assessments of this State and all units of local government. Section 65. The Property Tax Code is amended by adding Sections 21-231 and 22-40 as follows:

(35 ILCS 200/21-231 new)

Sec. 21-231. Notice of sales and redemptions. When any property is sold, the county clerk shall send

notice of the sale to the municipal clerk of the jurisdiction where the property is located of the name of the purchaser and the amount of the final bid. When any property is redeemed from sale, the county clerk shall send notice to the municipal clerk of the jurisdiction where the property is located of the name of the person redeeming and the redemption date. These notices must be sent by registered or certified mail within 30 days after sale or redemption.

(35 ILCS 200/22-40)

Sec. 22-40. Issuance of deed; possession.

(a) If the redemption period expires and the property has not been redeemed and all taxes and special assessments which became due and payable subsequent to the sale have been paid and all forfeitures and sales which occur subsequent to the sale have been redeemed and the notices required by law have been given and all advancements of public funds under the police power made by a city, village or town under Section 22-35 have been paid and the petitioner has complied with all the provisions of law entitling him or her to a deed, the court shall so find and shall enter an order directing the county clerk on the production of the certificate of purchase and a certified copy of the order, to issue to the purchaser or his or her assignee a tax deed. The court shall insist on strict compliance with Section 22-10 through 22-25. Prior to the entry of an order directing the issuance of a tax deed, the petitioner shall furnish the court with a report of proceedings of the evidence received on the application for tax deed and the report of proceedings shall be filed and made a part of the court record.

(b) If taxes for years prior to the year or years sold are or become delinquent subsequent to the date of sale, the court shall find that the lien of those delinquent taxes has been or will be merged into the tax deed grantee's title if the court determines that the tax deed grantee or any prior holder of the certificate of purchase, or any person or entity under common ownership or control with any such grantee or prior holder of the certificate of purchase, was at no time the holder of any certificate of purchase for the years sought to be merged. If delinquent taxes are merged into the tax deed pursuant to this subsection, the court shall enter an order declaring which specific taxes have been or will be merged into the tax deed title and directing the county treasurer and county clerk to reflect that declaration in the warrant and judgment records; provided, that no such order shall be effective until a tax deed has been issued and timely recorded. Nothing contained in this Section shall relieve any owner liable for delinquent property taxes under this Code from the payment of the taxes that have been merged into the title upon issuance of the tax deed.

(c) The county clerk is entitled to a fee of \$10 in counties of 3,000,000 or more inhabitants and \$5 in counties with less than 3,000,000 inhabitants for the issuance of the tax deed. The clerk may not include in a tax deed more than one property as listed, assessed and sold in one description, except in cases where several properties are owned by one person.

Upon application the court shall, enter an order to place the tax deed grantee or the grantee's successor in interest in possession of the property and may enter orders and grant relief as may be necessary or desirable to maintain the grantee or the grantee's successor in interest in possession.

beneficiary, trustee, or mortgagee may enter the property, after proper notice, to remedy any violation of the rules, regulations, or ordinances for the maintenance of vacant and abandoned property. The beneficiary, trustee, or mortgagee may enter the property only if, 15 days after the beneficiary, trustee, or mortgagee sent proper notice, the property owners and occupants have failed to comply with the rules, regulations, or ordinances at issue.

For the purpose of this Section, "neglected" means that there has been no occupant in the property for a period of 6 months and 2 or more of the following criteria have been met:

The corporate authorities of each municipality may (i) provide for property maintenance required to correct violations of municipal vacant and abandoned property rules, regulations, and ordinances that would fall within those rules, regulations, and ordinances contemplated by Section 11-20-15, when the owners of real estate refuse or neglect to correct such violations and (ii) collect from the owners of private property the reasonable cost thereof. This cost, including any associated fees and other costs related to the enforcement of this Section, is a lien upon the real estate affected, superior to all subsequent liens and encumbrances, except tax liens; provided that within 60 days after such cost and expense is incurred the municipality, or person performing the service by authority of the municipality, in that person's own name, file notice of lien in the office of the recorder in the county in which the real estate is located or in the office of the Registrar of Titles of the county if the real estate affected is registered under the Torrens system. The notice shall consist of a sworn statement setting out (i) a description of the real estate sufficient for identification thereof, (ii) the amount of money representing the cost and expense incurred or payable for the service, and (iii) the date or dates when the cost and expense was incurred by the municipality. However, the lien of the municipality shall not be valid as to any purchaser whose rights in and to the real estate have arisen subsequent to the property maintenance and prior to the filing of such notice. Upon payment of the cost and expense by the owner of or persons interested in the property after notice of lien has been filed, the lien shall be released by the municipality or person in whose name the lien has been filed and the release may be filed of record as in the case of filing notice of lien. The lien may be enforced by proceedings to foreclose as in case of mortgages or mechanics' liens. An action to foreclose this lien shall be commenced within 2 years after the date of filing notice of lien.

Section 75. The Code of Civil Procedure is amended by changing Section 15-1503.5 and by adding

The notice must be sent within 10 days after the filing of a notice of foreclosure under Section 15-1503 with the county in which the mortgaged real estate is located.

If, before a foreclosure sale is completed, there is a change in any of the relevant required information, such as name, phone number, agent, or local representative, then new notice must be sent to the municipality informing the municipality of the change. The notice must be sent within 30 days of the change.

(b) Servicers have the following duties in replying to municipal inquiries:

(1) In general. If any servicer of a loan receives a qualified written request from a municipality for information relating to the maintenance of the property covered by the loan, the servicer shall provide a written response acknowledging the receipt of the correspondence within 20 days (excluding public holidays, Saturdays, and Sundays) unless the action requested is taken within that period.

(2) Qualified written request. For the purposes of this subsection, a qualified written request shall be a written correspondence that includes, or otherwise enables the servicer to identify, the name and account of the borrower.

Sec. 15-1508. Report of Sale and Confirmation of Sale.

(a) Report.

(1) The person conducting the sale shall promptly make a report to the court, which report shall include a copy of all receipts and, if any, certificate of sale.

(2) The person conducting the sale shall promptly make a report to the municipality, which report shall include the name of the party purchasing the property if the property is sold, or the name of the resulting property-holding entity if there is no sale. Such a report must be sent by registered or certified mail within 30 days after the sale proceeding.

(b) Hearing. Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. Unless the court finds that (i) a notice required in accordance with subsection (c) of Section 15-1507 was not given, (ii) the terms of sale were unconscionable, (iii) the sale was conducted fraudulently or (iv) that

justice was otherwise not done, the court shall then enter an order confirming the sale. The confirmation order may also:

- (1) approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation hearing, those costs and fees to be allowable to the same extent as provided in the note and mortgage and in Section 15-1504;
- (2) provide for a personal judgment against any party for a deficiency; and
- (3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

IF YOU ARE THE MORTGAGOR (HOMEOWNER), YOU HAVE THE RIGHT TO REMAIN IN
POSSESSION FOR 30 DAYS AFTER ENTRY OF AN ORDER OF POSSESSION, IN ACCORDANCE
WITH SECTION 15-1701(c) OF THE ILLINOIS MORTGAGE FORECLOSURE LAW.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale, provided that such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701 and in the order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding

against that person for possession under Article 9 of this Code or subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article 9 of this Code or subsection (h) of Section 15-1701. Section 99. Effective date. This Act takes effect January 1, 2010."

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed; and the bill, as amended, was advanced to the order of Third Reading.

Having been read by title a second time on March 23, 2009 and held, the following bill was taken up and advanced to the order of Third Reading: HOUSE BILL 2289.

HOUSE BILL 2322. Having been read by title a second time on March 23, 2009, and held on the order of Second Reading, the same was again taken up.

The following amendment was offered in the Committee on Business & Occupational Licenses, adopted and reproduced.

AMENDMENT NO. 1. Amend House Bill 2322 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Vehicle Code is amended by changing Section 5-102 and by adding Section 5-102.5 as follows:

(625 ILCS 5/5-102) (from Ch. 95 1/2, par. 5-102)

Sec. 5-102. Used vehicle dealers must be licensed.

(a) No person, other than a licensed new vehicle dealer, shall engage in the business of selling or dealing in, on consignment or otherwise, 5 or more used vehicles of any make during the year (except house trailers as authorized by paragraph (j) of this Section and rebuilt salvage vehicles sold by their rebuilders to persons licensed under this Chapter), or act as an intermediary, agent or broker for any licensed dealer or vehicle purchaser (other than as a salesperson) or represent or advertise that he is so engaged or intends to so engage in such business unless licensed to do so by the Secretary of State under the provisions of this Section.

(b) An application for a used vehicle dealer's license shall be filed with the Secretary of State, duly verified by oath, in such form as the Secretary of State may by rule or regulation prescribe and shall contain:

1. The name and type of business organization established and additional places of business, if any, in this State.
2. If the applicant is a corporation, a list of its officers, directors, and shareholders having a ten percent or greater ownership interest in the corporation, setting forth the

residence address of each; if the applicant is a sole proprietorship, a partnership, an unincorporated association, a trust, or any similar form of business organization, the names and residence address of the proprietor or of each partner, member, officer, director, trustee or manager.

3. A statement that the applicant has been approved for registration under the Retailers' Occupation Tax Act by the Department of Revenue. However, this requirement does not apply to a dealer who is already licensed hereunder with the Secretary of State, and who is merely applying for a renewal of his license. As evidence of this fact, the application shall be accompanied by a certification from the Department of Revenue showing that the Department has approved the applicant for registration under the Retailers' Occupation Tax Act.

4. A statement that the applicant has complied with the appropriate liability insurance requirement. A Certificate of Insurance in a solvent company authorized to do business in the State of Illinois shall be included with each application covering each location at which he proposes to act as a used vehicle dealer. The policy must provide liability coverage in the minimum amounts of \$100,000 for bodily injury to, or death of, any person, \$300,000 for bodily injury to, or death of, two or more persons in any one accident, and \$50,000 for damage to property. Such policy shall expire not sooner than December 31 of the year for which the license was issued or renewed. The expiration of the insurance policy shall not terminate the liability under the policy arising during the period for which the policy was filed. Trailer and mobile home dealers are exempt from this requirement.

If the permitted user has a liability insurance policy that provides automobile liability insurance coverage of at least \$100,000 for bodily injury to or the death of any person, \$300,000 for bodily injury to or the death of any 2 or more persons in any one accident, and \$50,000 for damage to property, then the permitted user's insurer shall be the primary insurer and the dealer's insurer shall be the secondary insurer. If the permitted user does not have a liability insurance policy that provides automobile liability insurance coverage of at least \$100,000 for bodily injury to or the death of any person, \$300,000 for bodily injury to or the death of any 2 or more persons in any one accident, and \$50,000 for damage to property, or does not have any insurance at all, then the dealer's insurer shall be the primary insurer and the permitted user's insurer shall be the secondary insurer.

When a permitted user is "test driving" a used vehicle dealer's automobile, the used vehicle dealer's insurance shall be primary and the permitted user's insurance shall be secondary.

As used in this paragraph 4, a "permitted user" is a person who, with the permission of the used vehicle dealer or an employee of the used vehicle dealer, drives a vehicle owned and held for sale or lease by the used vehicle dealer which the person is considering to purchase or lease, in order to evaluate the performance, reliability, or condition of the vehicle. The term "permitted user" also includes a person who, with the permission of the used vehicle dealer, drives a vehicle owned or held for sale or lease by the used vehicle dealer for loaner purposes while the user's vehicle is being repaired or evaluated.

As used in this paragraph 4, "test driving" occurs when a permitted user who, with the permission of the used vehicle dealer or an employee of the used vehicle dealer, drives a vehicle owned and held for sale or lease by a used vehicle dealer that the person is considering to purchase or lease, in order to evaluate the performance, reliability, or condition of the vehicle.

As used in this paragraph 4, "loaner purposes" means when a person who, with the permission of the used vehicle dealer, drives a vehicle owned or held for sale or lease by the used vehicle dealer while the user's vehicle is being repaired or evaluated.

5. An application for a used vehicle dealer's license shall be accompanied by the following license fees:

\$1,000 for applicant's established place of business, and \$50 for each additional place of business, if any, to which the application pertains; however, if the application is made after June 15 of any year, the license fee shall be \$500 for applicant's established place of business plus \$25 for each additional place of business, if any, to which the application pertains. License fees shall be returnable only in the event that the application is denied by the Secretary of State. Of the money received by the Secretary of State as license fees under this Section for the 2004 licensing year and thereafter, 95% shall be deposited into the General Revenue Fund.

6. A statement that the applicant's officers, directors, shareholders having a 10% or greater ownership interest therein, proprietor, partner, member, officer, director, trustee, manager or other principals in the business have not committed in the past 3 years any one violation as determined in any civil, criminal or administrative proceedings of any one of the following Acts:

(A) The Anti Theft Laws of the Illinois Vehicle Code;

- (B) The Certificate of Title Laws of the Illinois Vehicle Code;
- (C) The Offenses against Registration and Certificates of Title Laws of the Illinois Vehicle Code;
- (D) The Dealers, Transporters, Wreckers and Rebuilders Laws of the Illinois Vehicle Code;
- (E) Section 21-2 of the Illinois Criminal Code of 1961, Criminal Trespass to Vehicles; or
- (F) The Retailers' Occupation Tax Act.

7. A statement that the applicant's officers, directors, shareholders having a 10% or greater ownership interest therein, proprietor, partner, member, officer, director, trustee, manager or other principals in the business have not committed in any calendar year 3 or more violations, as determined in any civil or criminal or administrative proceedings, of any one or more of the following Acts:

- (A) The Consumer Finance Act;
- (B) The Consumer Installment Loan Act;
- (C) The Retail Installment Sales Act;
- (D) The Motor Vehicle Retail Installment Sales Act;
- (E) The Interest Act;
- (F) The Illinois Wage Assignment Act;
- (G) Part 8 of Article XII of the Code of Civil Procedure; or
- (H) The Consumer Fraud Act.

8. A bond or Certificate of Deposit in the amount of \$20,000 for each location at which the applicant intends to act as a used vehicle dealer. The bond shall be for the term of the license, or its renewal, for which application is made, and shall expire not sooner than December 31 of the year for which the license was issued or renewed. The bond shall run to the People of the State of Illinois, with surety by a bonding or insurance company authorized to do business in this State. It shall be conditioned upon the proper transmittal of all title and registration fees and taxes (excluding taxes under the Retailers' Occupation Tax Act) accepted by the applicant as a used vehicle dealer.

9. Such other information concerning the business of the applicant as the Secretary of State may by rule or regulation prescribe.

10. A statement that the applicant understands Chapter 1 through Chapter 5 of this Code.

11. A copy of the certification from the preclicensing education program.

(c) Any change which renders no longer accurate any information contained in any application for a used vehicle dealer's license shall be amended within 30 days after the occurrence of each change on such form as the Secretary of State may prescribe by rule or regulation, accompanied by an amendatory fee of \$2.

(d) Anything in this Chapter to the contrary notwithstanding, no person shall be licensed as a used vehicle dealer unless such person maintains an established place of business as defined in this Chapter.

(e) The Secretary of State shall, within a reasonable time after receipt, examine an application submitted to him under this Section. Unless the Secretary makes a determination that the application submitted to him does not conform to this Section or that grounds exist for a denial of the application under Section 5-501 of this Chapter, he must grant the applicant an original used vehicle dealer's license in writing for his established place of business and a supplemental license in writing for each additional place of business in such form as he may prescribe by rule or regulation which shall include the following:

1. The name of the person licensed;
2. If a corporation, the name and address of its officers or if a sole proprietorship, a partnership, an unincorporated association or any similar form of business organization, the name and address of the proprietor or of each partner, member, officer, director, trustee or manager;
3. In case of an original license, the established place of business of the licensee;
4. In the case of a supplemental license, the established place of business of the licensee and the additional place of business to which such supplemental license pertains.

(f) The appropriate instrument evidencing the license or a certified copy thereof, provided by the Secretary of State shall be kept posted, conspicuously, in the established place of business of the licensee and in each additional place of business, if any, maintained by such licensee.

(g) Except as provided in subsection (h) of this Section, all used vehicle dealer's licenses granted under this Section expire by operation of law on December 31 of the calendar year for which they are granted unless sooner revoked or cancelled under Section 5-501 of this Chapter.

(h) A used vehicle dealer's license may be renewed upon application and payment of the fee required

herein, and submission of proof of coverage by an approved bond under the "Retailers' Occupation Tax Act" or proof that applicant is not subject to such bonding requirements, as in the case of an original license, but in case an application for the renewal of an effective license is made during the month of December, the effective license shall remain in force until the application for renewal is granted or denied by the Secretary of State.

(i) All persons licensed as a used vehicle dealer are required to furnish each purchaser of a motor vehicle:

1. A certificate of title properly assigned to the purchaser;
2. A statement verified under oath that all identifying numbers on the vehicle agree with those on the certificate of title;
3. A bill of sale properly executed on behalf of such person;
4. A copy of the Uniform Invoice-transaction reporting return referred to in Section 5-402 of this Chapter;
5. In the case of a rebuilt vehicle, a copy of the Disclosure of Rebuilt Vehicle Status; and
6. In the case of a vehicle for which the warranty has been reinstated, a copy of the warranty.

(j) A real estate broker holding a valid certificate of registration issued pursuant to "The Real Estate Brokers and Salesmen License Act" may engage in the business of selling or dealing in house trailers not his own without being licensed as a used vehicle dealer under this Section; however such broker shall maintain a record of the transaction including the following:

- (1) the name and address of the buyer and seller,
- (2) the date of sale,
- (3) a description of the mobile home, including the vehicle identification number, make, model, and year, and
- (4) the Illinois certificate of title number.

The foregoing records shall be available for inspection by any officer of the Secretary of State's Office at any reasonable hour.

(k) Except at the time of sale or repossession of the vehicle, no person licensed as a used vehicle dealer may issue any other person a newly created key to a vehicle unless the used vehicle dealer makes a copy of the driver's license or State identification card of the person requesting or obtaining the newly created key. The used vehicle dealer must retain the copy for 30 days.

A used vehicle dealer who violates this subsection (k) is guilty of a petty offense. Violation of this subsection (k) is not cause to suspend, revoke, cancel, or deny renewal of the used vehicle dealer's license.

(l) Used vehicle dealers licensed under this Section shall provide the Secretary of State a register for the sale at auction of each salvage or junk certificate vehicle. Each register shall include the following information:

1. The year, make, model, style and color of the vehicle;
2. The vehicle's manufacturer's identification number or, if applicable, the Secretary of State or Illinois Department of State Police identification number;

The register shall be submitted to the Secretary of State via written or electronic means within 10 calendar days from the date of the auction.

RECALL

At the request of the principal sponsor, Representative Washington, HOUSE BILL 2365 was recalled from the order of Third Reading to the order of Second Reading.

HOUSE BILLS ON SECOND READING

HOUSE BILL 2365. Having been recalled on March 24, 2009, and held on the order of Second Reading, the same was again taken up.

Representative Washington offered the following amendment and moved its adoption.

AMENDMENT NO. 1. Amend House Bill 2365 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Kinship Navigator Act.

Section 5. Definitions. In this Act:

- (1) "Department" means the Department of Human Services.
- (2) "NPO" means a not-for-profit organization.
- (3) "Municipality" has the meaning ascribed to it in Section 1-1-2 of the Illinois Municipal Code.

(4) "Kinship care" means, as defined by Child Welfare League of America, the full time care, nurturing, and protection of children by relatives, members of their tribes or clans, grandparents, godparents, stepparents, or any adult who has physical custody and a kinship bond with a child. This definition is designed to be inclusive without age restrictions on the kinship caregiver and respectful of cultural values and ties of affection. It allows a child to grow to adulthood in a family environment.

- (5) "Kinship Navigator" means a statewide program designed to ensure kinship caregivers the necessary resources for the preservation of the family.

Section 10. Legislative findings and intent.

- (1) Caregivers often provide kinship care without compensation or support systems.

- (2) Kinship caregivers are crucial to avoiding institutionalization of children and saving taxpayer dollars.

(3) Kinship caregivers are frequently under substantial physical, psychological, and financial stress. Unrelieved by support services available to the caregiver, this stress may lead to premature or unnecessary institutionalization for the care recipient or deterioration of the health condition and family circumstances of the kinship caregiver.

- (4) Sudden responsibility for children often precludes kinship caregivers the opportunity to plan basic day to day responsibility.

(5) The Kinship Navigator shall be seamless, statewide, and coordinated among the Department of Human Services, Department on Aging, Illinois Housing Authority, Department of Children and Family Services, Department of Corrections, and federal and local governments as well as other public and private sources.

(6) Additional services provided under the Kinship Navigator shall be: organizing diverse, enriched, and culturally conscious kinship support groups and counseling; assisting with applying for benefits within the Illinois Department of Human Services' Family Community Resource Centers for those who qualify; publishing monthly newsletters; coordinating respite and crisis care services; assisting kinship caregivers with job readiness, job search, and job retention; and providing technical assistance to start up kinship support groups.

Section 15. Kinship Navigator conferences: promotion. The Department shall arrange for the conduct of 2 conferences, one in Cook County and one in Sangamon County, and provide for exhibits and activities for kinship caregivers and social service providers.

Section 20. Kinship Navigator administration. The Department, subject to appropriation, shall administer the Kinship Navigator through a contract with an NPO that has worked statewide with kinship families. The contract shall require that the program created by this Act will be coordinated with (i) the grandparent child care program administered by the Department of Children and Family Services under Section 34.11 of the Children and Family Services Act, (ii) the Department of Children and Family Services under Section 39.1 of the Children and Family Services Act, and (iii) the Department on Aging under Section 92 of the Family Caregiver Act.

Section 25. Rules. The Department shall adopt the rules necessary for the implementation and administration of this Act.

Section 90. The Children and Family Services Act is amended by changing Section 34.11 and adding Section 39.1 as follows:

(20 ILCS 505/34.11)

Sec. 34.11. Grandparent child care program.

(a) The General Assembly finds and declares the following:

(1) An increasing number of children under the age of 18, including many children who would otherwise be at risk of abuse or neglect, are in the care of a grandparent or other nonparent relative.

(2) The principal causes of this increase include parental substance abuse, chronic illness, child abuse, mental illness, military deployment, poverty, homelessness, deportation, and death, as well as concerted efforts by families and by the child welfare service system to keep children with relatives whenever possible.

(3) Grandparents and older relatives providing primary care for at-risk children may experience unique resultant problems, such as financial stress due to limited incomes, emotional difficulties dealing with the loss of the child's parents or the child's unique behaviors, and decreased physical stamina coupled with a much higher incidence of chronic illness.

(4) Many children being raised by nonparent relatives experience one or a combination of emotional, behavioral, psychological, academic, or medical problems, especially those born to a substance-abusing mother or at risk of child abuse, neglect, or abandonment.

(5) Grandparents and other relatives providing primary care for children lack appropriate information about the issues of kinship care, the special needs (both physical and psychological) of children born to a substance-abusing mother or at risk of child abuse, neglect, or abandonment, and the support resources currently available to them.

(b) The Department may establish an informational and educational program for grandparents and other relatives who provide primary care for children who are at risk of child abuse, neglect, or abandonment or who were born to substance-abusing mothers. As a part of the program, the Department may develop, publish, and distribute an informational brochure for grandparents and other relatives who provide primary care for children who are at risk of child abuse, neglect, or abandonment or who were born to substance-abusing mothers. The information provided under the program authorized by this Section may include, but is not limited to the following:

(1) The most prevalent causes of kinship care, especially the risk of (i) substance exposure, (ii) child abuse, neglect, or abandonment, (iii) chronic illness, (iv) mental illness, (v) military deployment, or (vi) death.

(2) The problems experienced by children being raised by nonparent caregivers.

(3) The problems experienced by grandparents and other nonparent relatives providing primary care for children who have special needs.

(4) The legal system as it relates to children and their nonparent primary caregivers.

(5) The benefits available to children and their nonparent primary caregivers.

(6) A list of support groups and resources located throughout the State.

The brochure may be distributed through hospitals, public health nurses, child protective services, medical professional offices, elementary and secondary schools, senior citizen centers, public libraries, community action agencies selected by the Department, and the Department of Human Services.

The Kinship Navigator established under the Kinship Navigator Act shall coordinate the grandparent child care program under this Section with the programs and services established and administered by the Department of Human Services under the Kinship Navigator Act.

Sec. 39.1. Kinship Navigator Act. The Kinship Navigator established under the Kinship Navigator Act shall coordinate the child welfare services administered by the Department in relation to kinship care for children and families receiving services under this Act with the programs and services established and administered by the Department of Human Services under the Kinship Navigator Act.

Section 95. The Family Caregiver Act is amended by adding Section 92 as follows:

(320 ILCS 65/92 new)

The Kinship Navigator established under the Kinship Navigator Act shall coordinate the services administered by the Department under this Act with the programs and services established and administered by the Department of Human Services under the Kinship Navigator Act.

(10 ILCS 5/18-5) (from Ch. 46, par. 18-5)

Sec. 18-5. Any person desiring to vote and whose name is found upon the register of voters by the person having charge thereof, shall then be questioned by one of the judges as to his nativity, his term of residence at present address, precinct, State and United States, his age, whether naturalized and if so the date of naturalization papers and court from which secured, and he shall be asked to state his residence when last previously registered and the date of the election for which he then registered. The judges of elections shall check each application for ballot against the list of voters registered in that precinct to whom grace period, absentee, and early ballots have been issued for that election, which shall be provided by the election authority and which list shall be available for inspection by pollwatchers. A voter applying to vote in the precinct on election day whose name appears on the list as having been issued a grace period, absentee, or early ballot shall not be permitted to vote in the precinct, except that a voter to whom an absentee ballot was issued may vote in the precinct if the voter submits to the election judges that absentee ballot for cancellation. If the voter is unable to submit the absentee ballot, it shall be sufficient for the voter to submit to the election judges (i) a portion of the absentee ballot if the absentee ballot was torn or mutilated or (ii) an affidavit executed before the election judges specifying that (A) the voter never received an absentee ballot or (B) the voter completed and returned an absentee ballot and was informed that the election authority did not receive that absentee ballot. If such person so registered shall be challenged as disqualified, the party challenging shall assign his reasons therefor, and thereupon one of the judges shall administer to him an oath to answer questions, and if he shall take the oath he shall then be questioned by the judge or judges touching such cause of challenge, and touching any other cause of disqualification. And he may also be questioned by the person challenging him in regard to his qualifications and identity. But if a majority of the judges are of the opinion that he is the person so registered and a qualified voter, his vote shall then be received accordingly. But if his vote be rejected by such judges, such person may afterward produce and deliver an affidavit to such judges, subscribed and sworn to by him before one of the judges, in which it shall be stated how long he has resided in such precinct, and state; that he is a citizen of the United States, and is a duly qualified voter in such precinct, and that he is the identical person so registered. In addition to such an affidavit, the person so challenged shall provide to the judges of election proof of residence by producing 2 forms of identification showing the person's current residence address, provided that such identification may include a lease or contract for a residence and not more than one piece of mail addressed to the person at his current residence address and postmarked not earlier than 30 days prior to the date of the election, or the person shall procure a witness personally known to the judges of election, and resident in the precinct (or district), or who shall be proved by some legal voter of such precinct or district, known to the judges to be such, who shall take the oath following, viz:

I do solemnly swear (or affirm) that I am a resident of this election precinct (or district), and entitled to vote at this election, and that I have been a resident of this State for 30 days last past, and am well acquainted with the person whose vote is now offered; that he is an actual and bona fide resident of this election precinct (or district), and has resided herein 30 days, and as I verily believe, in this State, 30 days next preceding this election.

The oath in each case may be administered by one of the judges of election, or by any officer, resident in the precinct or district, authorized by law to administer oaths. Also supported by an affidavit by a registered voter residing in such precinct, stating his own residence, and that he knows such person; and that he does reside at the place mentioned and has resided in such precinct and state for the length of time as stated by such person, which shall be subscribed and sworn to in the same way. For purposes of this Section, the

submission of a photo identification issued by a college or university, accompanied by either (i) a copy of the applicant's contract or lease for a residence or (ii) one piece of mail addressed to the person at his or her current residence address and postmarked not earlier than 30 days prior to the date of the election, shall be sufficient to establish proof of residence. Whereupon the vote of such person shall be received, and entered as other votes. But such judges, having charge of such registers, shall state in their respective books the facts in such case, and the affidavits, so delivered to the judges, shall be preserved and returned to the office of the commissioners of election. Blank affidavits of the character aforesaid shall be sent out to the judges of all the precincts, and the judges of election shall furnish the same on demand and administer the oaths without criticism. Such oaths, if administered by any other officer than such judge of election, shall not be received. Whenever a proposal for a constitutional amendment or for the calling of a constitutional convention is to be voted upon at the election, the separate blue ballot or ballots pertaining thereto shall be placed on top of the other ballots to be voted at the election in such manner that the legend appearing on the back thereof, as prescribed in Section 16-6 of this Act, shall be plainly visible to the voter, and in this fashion the ballots shall be handed to the voter by the judge.

Immediately after voting, the voter shall be instructed whether the voting equipment, if used, accepted or rejected the ballot or identified the ballot as under-voted. A voter whose ballot is identified as under-voted for a statewide constitutional office may return to the voting booth and complete the voting of that ballot. A voter whose ballot is not accepted by the voting equipment may, upon surrendering the ballot, request and vote another ballot. The voter's surrendered ballot shall be initialed by the election judge and handled as provided in the appropriate Article governing that voting equipment.

The voter shall, upon quitting the voting booth, deliver to one of the judges of election all of the ballots, properly folded, which he received. The judge of election to whom the voter delivers his ballots shall not accept the same unless all of the ballots given to the voter are returned by him. If a voter delivers less than all of the ballots given to him, the judge to whom the same are offered shall advise him in a voice clearly audible to the other judges of election that the voter must return the remainder of the ballots. The statement of the judge to the voter shall clearly express the fact that the voter is not required to vote such remaining ballots but that whether or not he votes them he must fold and deliver them to the judge. In making such statement the judge of election shall not indicate by word, gesture or intonation of voice that the unreturned ballots shall be voted in any particular manner. No new voter shall be permitted to enter the voting booth of a voter who has failed to deliver the total number of ballots received by him until such voter has returned to the voting booth pursuant to the judge's request and again quit the booth with all of the ballots required to be returned by him. Upon receipt of all such ballots the judges of election shall enter the name of the voter, and his number, as above provided in this Section, and the judge to whom the ballots are delivered shall immediately put the ballots into the ballot box. If any voter who has failed to deliver all the ballots received by him refuses to return to the voting booth after being advised by the judge of election as herein provided, the judge shall inform the other judges of such refusal, and thereupon the ballot or ballots returned to the judge shall be deposited in the ballot box, the voter shall be permitted to depart from the polling place, and a new voter shall be permitted to enter the voting booth.

The judge of election who receives the ballot or ballots from the voter shall announce the residence and name of such voter in a loud voice. The judge shall put the ballot or ballots received from the voter into the ballot box in the presence of the voter and the judges of election, and in plain view of the public. The judges having charge of such registers shall then, in a column prepared thereon, in the same line of, the name of the voter, mark "Voted" or the letter "V".

No judge of election shall accept from any voter less than the full number of ballots received by such voter without first advising the voter in the manner above provided of the necessity of returning all of the ballots, nor shall any such judge advise such voter in a manner contrary to that which is herein permitted, or in any other manner violate the provisions of this Section; provided, that the acceptance by a judge of election of less than the full number of ballots delivered to a voter who refuses to return to the voting booth after being properly advised by such judge shall not be a violation of this Section.

Sec. 19A-35. Procedure for voting.

(a) Not more than 23 days before the start of the election, the county clerk shall make available to the election official conducting early voting by personal appearance a sufficient number of early ballots, envelopes, and printed voting instruction slips for the use of early voters. The election official shall receipt for all ballots received and shall return unused or spoiled ballots at the close of the early voting period to the county clerk and must strictly account for all ballots received. The ballots delivered to the election

official must include early ballots for each precinct in the election authority's jurisdiction and must include separate ballots for each political subdivision conducting an election of officers or a referendum at that election.

(b) In conducting early voting under this Article, the election judge or official is required to verify the signature of the early voter by comparison with the signature on the official registration card, and the judge or official must verify (i) the identity of the applicant, (ii) that the applicant is a registered voter, (iii) the precinct in which the applicant is registered, and (iv) the proper ballots of the political subdivision in which the applicant resides and is entitled to vote before providing an early ballot to the applicant. The applicant's identity must be verified by the applicant's presentation of an Illinois driver's license, a non-driver identification card issued by the Illinois Secretary of State, a photo identification card issued by a university or college, or another government-issued identification document containing the applicant's photograph. The election judge or official must verify the applicant's registration from the most recent poll list provided by the election authority, and if the applicant is not listed on that poll list, by telephoning the office of the election authority.

(b-5) A person requesting an early voting ballot to whom an absentee ballot was issued may vote early if the person submits that absentee ballot to the judges of election or official conducting early voting for cancellation. If the voter is unable to submit the absentee ballot, it shall be sufficient for the voter to submit to the judges or official (i) a portion of the absentee ballot if the absentee ballot was torn or mutilated or (ii) an affidavit executed before the judges or official specifying that (A) the voter never received an absentee ballot or (B) the voter completed and returned an absentee ballot and was informed that the election authority did not receive that absentee ballot.

(b-10) Within one day after a voter casts an early voting ballot, the election authority shall transmit the voter's name, street address, and precinct, ward, township, and district numbers, as the case may be, to the State Board of Elections, which shall maintain those names and that information in an electronic format on its website, arranged by county and accessible to State and local political committees.

(b-15) Immediately after voting an early ballot, the voter shall be instructed whether the voting equipment accepted or rejected the ballot or identified that ballot as under-voted for a statewide constitutional office. A voter whose ballot is identified as under-voted may return to the voting booth and complete the voting of that ballot. A voter whose early voting ballot is not accepted by the voting equipment may, upon surrendering the ballot, request and vote another early voting ballot. The voter's surrendered ballot shall be initialed by the election judge or official conducting the early voting and handled as provided in the appropriate Article governing the voting equipment used.

(c) The sealed early ballots in their carrier envelope shall be delivered by the election authority to the central ballot counting location before the close of the polls on the day of the election.
